**Contributor and Gurux agree:**

1. Contributor hereby irrevocably assigns, transfers, and conveys to Gurux all intellectual property rights, including copyrights, patent rights, and any other relevant rights, to the Contribution. Without limiting the generality of the foregoing, Gurux shall have the right to use or not use the Contribution and to use, sell, register, distribute, license, reproduce, re-use, alter, modify, edit, change, or otherwise commercialize the Contribution as it sees fit, in any manner now known or in the future discovered, and for any purpose.

2. Upon making the assignment and grants set forth in Section 1., the Contributor shall receive from Gurux a non-exclusive, worldwide, fully paid-up, royalty-free, irrevocable license to make, have made, use, reproduce, distribute, sub-license, modify and prepare derivative works based on Contribution.

3. The Contributor assures that he or she is able to grant the rights listed in Section 1.

4. The Contributions are Contributor's original work. Contributor assures that the Contributions are Contributor's original works of authorship, and to Contributor's knowledge, no other person claims, or has the right to claim, any right in any invention or patent related to the Contributions.

5. The Contributor understands that the decision to include the Contribution in any product or source repository is that of Gurux, and this agreement does not guarantee that the Contributions will be included in any product.
